

GENUA CONSULTING

LONG BIO:

Jennifer Genua-McDaniel is a nationally recognized speaker on governance, leadership, and operational excellence for Community Health Centers and nonprofit boards. With decades of executive and federal consulting experience, she brings both strategic perspective and practical, real-world insight.

She helps boards and executive teams translate complex requirements into clear, actionable strategies that strengthen oversight, improve collaboration, and support long-term organizational stability. Her sessions are engaging, thoughtful, and grounded in experience — equipping leaders with tools and confidence they can carry forward long after the event concludes..

SHORT BIO:

Jennifer Genua-McDaniel helps healthcare organizations grow stronger and serve their communities better. As CEO of Genua Consulting and Deputy Director at the Health Center Association of Nebraska, she brings years of leadership, hands-on clinic experience, and a passion for reducing health disparities.
